FLOWER AND VEGETABLE SEED NOVELTIES OF MERIT FOR 1944

MARIGOLD MAMMOTH MUM

Marigold Mammoth Mum

See Illustration

Mammoth Mum is well named, the largest incurved Chrysanthemum—flowered Marigold and a close rival to the large type Chrysanthemum. Bushy, strong erect plants which reach a height of three feet by August, when long-stemmed flowers appear to almost amaze one with their size which is 4 to 5 inches across and 2 inches deep. Its color is a rich lemon-yellow. Flowering from August until freezing weather sets in they make a colorful show in the garden and give long lasting cut flowers. The foliage is a rich, dark green and quite ornamental. Highly recommended.

Trade Pkt.....\$0.50 ¼ oz.....\$1.50 Oz.....\$5.00

Marigold Dwarf French Harmony Sunkist

Silver medal winner in the 1943 All-American Selections Sunkist is a sport from Butterball (winner in the 1942 trials). Color is a deep golden orange. Flowers are large (2 inches) with crested centers. Sunkist is early and very free blooming, and is especially recommended for the border, window box or pot.

Trade Pkt.....\$0.25 ¼ oz.....\$0.40 Oz.....\$1.25

Petunia

Hybrida Nana Compacta Cheerful

Bronze Medal Award in the 1944 All-America Trials, Cheerful is the clear, light pink, free-flowering Petunia for 1944. Deeper in color than First Lady and with a slight suffusion of salmon it attracts immediate attention. Compact growing suitable for bedding, window boxes, as well as for pots. Plants first grow low spreading close to the ground, later forming a mound 10 to 12 inches high with a spread of 2 feet. The plants are literally covered with blooms measuring up to 2½ inches in diameter.

Trade Pkt..\$0.75 ¼ oz..\$2.25 ½ oz..\$4.00 1 oz..\$7.00 Oz..\$13.00

Petunia

Alldouble America

Silver Medal Winner in the 1943 All-American Selections. Alldouble America is of the Hybrida Nana Carnation flowered type. Blooms are of medium size and are borne in great abundance from early summer until frost. Color is a mauve-pink, making Alldouble America ideal for bedding as well as cutting.

This is the first all double Petunia produced in America and by an American firm.

½ Trade Pkt. (500 Seeds)....\$1.25 Trade Pkt. (1000 Seeds)....\$2.00

TOMATO JUBILEE

Tomato Jubilee

Bronze Medal Winner, All-American Selections of 1943

See Illustration

A new orange-yellow tomato which compares favorably with the best of the standard red varieties in shape, smoothness, quality and solidity.

Jubilee is entirely different from any yellow or orange tomato ever grown. Fruits are bright orange-yellow, globular, weigh about 6 ozs., smooth, and quite free from cracking. The interior is modern, thick-walled, with few seeds. The flavor is somewhat mild but not flat. Makes delicious juice of unusual and attractive color. Fruits of Jubilee are usually ready in about 72 days after plants are set out in the garden.

The plants are short-stemmed, but not determinate, stiff, compact, and cover the fruit well. They also hold their foliage well and bear over a long season. The fruit color develops evenly and uniformly.

½ oz.....\$1.25 Oz.....\$2.00 ¼ lb.....\$6.00

WHOLESALE LIST FLORISTS' FLOWER SEEDS

ALEC HENDERSON, INC., gives no warranty, express or implied, as to the productiveness of any seeds, plants or bulbs it sells and will not be in any way responsible for the crop. Our liability, in all instances, is limited to the purchase price of the seeds, plants or bulbs.

Mixed. A combination of above colors.....	.30	2.00

Wilt Resistant Aster Strains

These strains have been developed to resist the attacks of the wilt fungus, which has for the past few years caused so much loss to growers.

Early Giant

(See Illustration)

Flowers are very large and full with broad, graceful petals. The plants are only 1½ to 2 feet tall and branching low on the central spike.
Light Blue, clear rich light blue.

Peachblossom. Early bloomer.

Rose Marie. Rich Rose. Early bloomer.

Trade pkt.....	\$0.40	¼ oz.....	\$0.75	Oz.....	\$2.50
----------------	--------	-----------	--------	---------	--------

Wilt Resistant Asters—Continued

Princess Type

This new type Aster provides a needed, new form for the cut flower grower. The blooms have a full crested center surrounded by several rows of strong guard petals. They are fine keepers and good shipers. Plants in the field are from 18 to 24 inches in height, but of course, when grown under some shade would double their height.

Princess Anne—Peachblossom.

Princess Bonnie—Soft salmon rose.

Princess Marsha—Cinnabar scarlet.

Each of the above: Trade Pkt.....	\$0.25	¼ oz.....	\$0.50	Oz.....	\$1.75
-----------------------------------	--------	-----------	--------	---------	--------

Trade Pkt. Oz.

American Branching. 24 to 30 inches. The standard late blooming florist aster. **Azure Blue, Crimson, Peerless Pink, Purple, Rose, Shell Pink, White Mixed**..... .25 1.50

Ball Deep Rose. 2½-3 ft. Branching. Blooms in mid-August..... .25 1.50

Kalanchoe "Tom Thumb"

The plant's dwarf, compact habit, free flowering and keeping qualities make it most desirable for dish gardens, terrariums and novelty pots or filling in where a dwarf plant is desirable, the height over all being but 5 or 6 inches. Has bright scarlet clusters of bloom borne on short stems just above the foliage; leaves are small, being placed one on top of the other on closely jointed stems. Whether in flower or not the plant compares favorably with other succulents as a filler and it can be flowered early by the use of black cloth treatment:

Dwarf Gigantea Pot O'Gold

(See Illustration Page Nine)

The plants are dwarf and compact growing, 12 to 15 inches in height, well branched, very neat in appearance and bearing a dozen or more of its large gigantea type blooms. Color is a bright deep golden orange. Pot O'Gold is one of the earliest flowering Marigolds, coming in ahead of the Floribunda type.

Primarily a bedding plant for the garden, it can also be cut for indoor use since the stems are 10 to 12 inches in length.

Trade Pkt.....	\$0.30	1/4 oz.....	\$0.50	Oz.....	\$1.60

Each of above: Trade Packet, \$1.50. Three Packets.....\$4.00

All Double Dwarf "Victorious" Strain

A strain of dwarf Petunias that gives practically 100% double flowers from seed, something every Florist has been looking for. Flowers are large ruffled and fringed in a splendid range of color. A dwarf compact grower, making it ideal for pots as well as for bedding. Due to the shutting off of imports from Japan, the seed we offer below is of 1940 crop. However, recent germination tests show that same is satisfactory, but of course under the circumstances, we cannot entertain any complaints on germination.

Amaranth Red. Bright amaranth red.
Appleblossom. Plants are very dwarf with appleblossom pink flowers.
Blue Brocade. Violet blue.
Gaiety. Rose-red and white with frilled petals
Loveliness. Clear pink.
Orchid Beauty. Orchid or light lilac.
Rosy Carmine (World Beauty). The ideal plant for pots and bedding purposes. Practically 100% double with large fringed flowers of a beautiful rose-carmine color. The plants make a very dwarf, compact grower and are very free flowering.

Pure White. Mixed.

Trade pkt., 500 seeds.....\$1.50 1000 seeds.....\$2.50

All Double Tall "Triumphant" Strain Large Flowering Fringed Mixed

This strain is identical to the Dwarf "Victorious" except in height, which runs from 14 to 15 inches. Produces practically 100% double flowers in a wonderful range of colors.

Trade pkt., 500 seeds.....\$1.50 1000 seeds.....\$2.50

PETUNIA
ALL DOUBLE VICTORIOUS

PETUNIA
DOUBLE FRINGED

PETUNIA FRINGED

Giants of California Supreme Florist Strain

For some years there has been a demand for this type of Petunia in a color range comprising the lighter rose and pink shades, and we feel that it will be a welcome addition to the large Florist type. It is of the well known Giants of California type, with very large ruffled, shallow, open throated flowers, freely produced on strong growing plants which may be as much as two feet tall by the end of the season. It is an excellent bedding variety as well as a fine window box type.

Trade pkt.....\$1.00 1/4 oz.....\$1.75 3/8 oz.....\$3.00

Glamour

A luscious shade of salmon rose, delicately veined brown in the creamy open shallow throat. The blooms are extremely large, 5 to 6 inches in diameter, with a shallow open throat surrounded by satiny petals which are heavily ruffled. The huge strikingly beautiful flowers are freely produced on strong growing richly foliated plants which will be 1 1/2 ft. to 2 ft. tall by the end of the season, although the first flowers are produced when the plants are only 5 inches to 6 inches tall.

Trade pkt.....\$0.75 1/4 oz.....\$1.25 3/8 oz.....\$2.00

Petunias—Continued

Dwarf Giants of California

President. Flame scarlet, very large, 4 ft.....	4.50	40.00
Yellow King Humbert. Golden yellow spotted red, 4 1/2 ft.....	4.50	40.00

Gloxinias

When flowering plants are scarce during Summer months, the Gloxinia with its richly colored flowers and fine foliage makes an ideal plant for window decoration and store sales. Be careful in watering and avoid wetting the leaves; also in wrapping as leaves are easily broken.

Crop reported very short and we may not have any surplus. Write for prices.

Gladiolus

Fall sales have practically exhausted bulbs we have contracted for and growers are reluctant to sell additional quantities until they have all their stock graded. Let us have your inquiries for Picardy, Maid of Orleans, Minuet, Red Phipps, Peggy Lou, and other standard varieties and we will quote lowest market price.

Ismene Calathina

Has fragrant flowers tubular in shape and pure white in color, being borne 3 to 4 on a stem. Bulbs remain dormant until late Spring and can be planted at intervals. With practically no Lilies to be had this season the Ismene flower makes a good substitute.

Mammoth Bulbs\$1.60 doz.—\$12.00 per 100
